Harold Hall

El Malpais Pool

"A sunrise is captured in this El Malpais National Monument water hole."

Below:

Watermelon Mountain

"While I was taking this photo of the Sandía Mountains, a resident out for an evening walk informed me that *sandía* is Spanish for watermelon. No wonder! As the sun set, the top of Sandía Peak turned the brilliant pink captured here."

Loops

"An Albuquerque air show is captured behind the major highway interchange of I-25 and I-40 highways. The blue along the highway barriers is a wonderful tribute to the great New Mexico skies."

Checkin' In Rt. 66

"The Blue Swallow Motel in Tucumcari glows with neon light, as well as the hood ornament from an old Pontiac."
